PRESIDENT'S MESSAGE | October 2023

Last month we had a very nice picnic in the backyard of Amy and Will Stanley's home. The weather was perfect, there was a nice show table, and some great orchid bargains at the member sales tables. The food was delicious. Thanks to Ken for bringing the venison burgers to grill. Thanks to Will Stanley for his expert grilling. Thank you to Sandra and Terry Stohr for overseeing the food, drinks, condiments, plates, and utensils. It was fun to visit with everyone and I think everybody had a good time.

As you probably saw in the email from Tom, we now have sign-up sheets available online for food donations and volunteer workers for our fall show. A big thank you to Jessica Badger for setting that up. Some of you signed up at our picnic so we've transcribed your names to the online forms. We still need workers and food volunteers. Please consider helping if you can.

7:00pm Meeting Begins

Linworth United Methodist Church

7070 Bent Tree Blvd

Columbus, OH 43235

Dr. Kristen Uthus

"Honey, I Shrunk the Kids."

Dr. Kristin Uthus: "Honey I Shrunk the Kids"

Dr. Uthus studied plant and animal ecology and evolution at Virginia Commonwealth University and The Ohio State University, and has taught biology and ecology at several universities, including VCU, OSU, University of Michigan, and Eastern Michigan University. Kristen has been growing orchids for over 20 years, and has been the owner of New World Orchids since 2014.

Dr. Uthus grows many types of orchids, but miniatures are her passion. New World Orchids specializes in Japanese species, including *Neofinetia falcata*, *Dendrobium moniliforme*, *Sederia japonica* and Asian *Cymbidium* species, and has been expanding the miniature selections to include *Pleurothallids*, *Bulbophyllums*, and *Angraecums*. You can check out some of NWO's orchid offerings at www.newworldorchids.com. Dr. Uthus will be bringing plants for sale to our meeting!

Dr. Uthus lives in Manchester, Michigan, about an hour west of Detroit. She is supported in her orchid pursuits by her husband, Dr. Kevin Wehrly, her two sons, Henry and Gus, and a veritable menagerie of lovable animals.

Location Information

Central Ohio Orchid Society's October meeting will be held on Thursday, October 19, at 6:30 pm. in the **Fellowship Hall** at **Linworth United Methodist Church (LUMC)**.

The **Beginners Corner** will be at 6:30, followed by a few COOS announcements and information about the annual show at Polaris mall.

Dr. Uthus **presentation** on "Honey I Shrunk the Orchids," begins at 7pm.

DIRECTIONS:

Linworth United Methodist Church

7070 Bent Tree Blvd
Columbus, OH 43235

Located at the corner of Federated Blvd and Bent Tree Blvd. Easily accessible from SR 161 West, via Federated Blvd, and from Sawmill Road via Federated Blvd.

The Fellowship Hall is most easily located by entering from the Federated Blvd entrance, and using the entrance by the black mailbox, not the entrance with the covered roof on the same side. The choir will be practicing in the sanctuary, so there will also be cars parked by the Bent Tree Blvd entrance, but it is a longer walk past the sanctuary and other rooms to get to the sanctuary. There might be a sign out announcing our location that night.

Feel free to contact the Program Chair, Tracy Strombotne, if you have questions!

There will also be a monthly orchid show judging at our meeting, so bring your plants in bloom so everyone can admire them!

PLANT OF THE MONTH SEPTEMBER 2023

Cynorkis uncinata

Grown by Tennis Maynard

Cynorkis uncinata is an epiphytic orchid that is native to Madagascar. Tennis grows this plant intermediate to warm year-round, with a dry winter rest. It is kept moist during the growing season, grown in a plastic pot in semi-terrestrial mix (a fine bark mix with a third peat-based potting 'soil'), in Cattleya light.

This species grows best in deep pots which are not too small. The tubers will grow larger with more space.
