January Meeting
Speaker – Edgar Stehli of Windswept in Time Orchids

Topic: Miniatures

Thursday, Jan 19th at Franklin Park Conservatory
Beginner's Corner 7:30pm – Meeting starts at 8pm

Our speaker for the January 19 meeting will be Edgar Stehli of Windswept in Time Orchids.

Edgar is well-known in the orchid community, and a longstanding friend of our society. Edgar has given many great talks including his most recent talk on the genus Angraecum-most famous as "Darwin's Orchid".

For our meeting, Edgar will be giving a new talk on "Miniature Orchids". He will have plants for sale, so please come ready to add some new and exciting plants to your collection.

The meeting formally begins at 8PM, but we will start gathering around 7PM. Get there early so you can get the best plants! We will have the usual speaker's dinner at 6PM at the Rusty Bucket in Bexley. The Rusty Bucket is at 2158 E. Main Street. It is close to the conservatory and all are invited, so hope to see you there!

P.S. You can read more about Edgar and his plants in their recent Cleveland news story: [HERE](#)
