September 2016

September Meeting

Speaker – Wayne Roberts

**Thursday, Sept 15th at Franklin Park Conservatory
Beginner’s Corner 7:30pm – Meeting starts at 8pm**

Hope everyone has had a wonderful Summer! It’s back to business w/our meetings and this month we have Wayne Roberts as our speaker. Wayne is a regular vendor at our show every spring and he’s been kind enough to speak to the group on numerous occasions. I’m not sure what his topic is this month but, rest assured, I’m confident you will be enlightened as Wayne is an absolute wealth of valuable information. Bonus – he always has some awesome plants for sale!

I understand he is taking pre-orders of any of the medium listed on his website. He has a lot of choices so check it out. He is also taking pre-orders on plants but I’m not sure what he has right now so check out his website and email or call him for availability. [Roberts Flower Supply](#)

As usual, we will have the pre-meeting “meet and greet” at the Rusty Bucket at 2158 E Main in Bexley @ 6pm. Everyone is welcome.

Upcoming General Meetings:

9/15	Wayne Roberts	Topic - TBD
10/20	TBD	Topic - TBD
11/17	Annual Potluck and Awards Dinner	
Dec	No Meeting	

Upcoming Board Meetings:

Elly Campbell	2017
Don Weber	2017
Bill Cavanaugh	2017
Susan Allison	2017

Hospitality

September meeting volunteers are Sakinah Salahu-Din, Pat Stinson and Scott Bever. Thank you for volunteering!

We have one more regular meeting this year – October – and we still need 3 volunteers. Get your name on the list at the September meeting or email Terry and Sandra.

Thanks to all who have helped out this year...some of you more than once. 😊

Grower's Contest

Drum roll please...I have the grower's contest tallies and listings completed. Finally! I missed the past few meeting and, let me just say...it appears that I missed a LOT of gorgeous orchids. Congrats to all who took away ribbons and to those who received Plant of the Month! Keep up the great growing and keep bringing in those bloomers.

And now... w/out further ado....

May show table results:
