

January Meeting - Ken Mettler - Orchid Genetics

Thursday, January 16th, 2014

Meeting starts 8:00 p.m. @ Franklin Park Conservatory

Beginner's Corner 7:30-8pm

Tennis put it best...."Why is your flower bigger than mine?" It's all about the genes! Ken will be talking on all things ploidy and because he is so good at what he does...those of us non-science people will actually be able to understand what he's saying.

This month we will have a member plant sale so bring in all those plants that need to find new homes. It's been awhile since we mentioned it...perhaps some of you aren't even aware...but we do ask that 20% of your sales be donated back to the club. Our wonderful treasurer, Edna, will gladly take cash or a check. 😊 Thank you, in advance, for remembering to give a little back.

Katrina Heap – your new and **VERY** green editor. (and I'm not talking about my thumb)

President's Message

Welcome, welcome to a new year!!

This being my first President's message, let me first say how much I'm looking forward to the next two years and doing great things with COOS and all its members!!

New Years are traditionally new beginnings and fresh starts and so it is with COOS, a new board for the New Year, and new prospects on the horizon.

I plan on all of us having fun with our meetings and our plants this year. But, nothing in life is free, and so too, it is with COOS. We all have to pay our dues, both literally and figuratively. And part of that is doing the work of the society. So, each of us needs to take a look inside and see: what can I offer the society this year, what can I do for it. We have all enjoyed the dividends of belonging to COOS; the camaraderie, the mini orchid show that is each meeting's show table, the speakers, programs, and shows, sale plants, and the vast trove of information and support our fellow members have to offer. So dig deep into your time and see what you can give back to keep this society vital and active! We're ALL busy. It's not about HAVING the time; it's about MAKING time for things that count!

I'm issuing a special challenge this year: I want to look around this coming November at our annual Awards Banquet potluck dinner and know that every member we had at the New Year has brought in at least one new member this year. Maybe it's the neighbor who has that phalaenopsis growing on the kitchen windowsill. Maybe it's a co-worker who always seems fascinated by your orchid pics and stories. Or just a stranger browsing the orchids at Lowe's or Home Depot. Could be that person buying an orchid at Oakland's in line in front of you. Talk to them. Engage them. Invite them. Follow up. Call them back. And once you finally do get them to a meeting, introduce them around; make sure they're welcomed properly.

That's everyone's mission this year: bring a new member to the table by November. Talk to people, invite them, and regale them with your stories of orchids and meetings and shows until they can't resist coming to see for themselves.

And once they're there, at a meeting, we ALL need to take the time and make the effort to make them FEEL welcome, and make them WANT to come back!!

I'll see you ALL at this month's meeting!!

Tennis Maynard

Our membership year is January to December. If you joined the society and you paid your dues in November or December of 2013, you are covered for 2014 as well. For all of the rest of us, it's that time again. You can pay your dues at the next meeting, or you can send a check to our membership chair. (made payable to "Central Ohio Orchid Society") **Tom Bell-Games (1615 Andover rd., Columbus, OH 43212)**. If you have not renewed yet, please support the society by renewing as soon as possible. Your contribution enhances the society and what it is able to do for you. The dues are \$20.00 for Individuals and \$25.00 per household.

**Upcoming dates for Orchid Judging at the Cincinnati Center:
Civic Garden Center of Greater Cincinnati, 2715 Reading Road, Cincinnati.**

**Registration of Plants starts at 12:00pm & Judging begins at 1:00pm.
Sunday, February 9, 2014
Sunday, March 9, 2014**

Welcome New Members

No new members that I am aware of this month. Please remember to make the new members who have recently joined, very welcome at our meetings. Remember folks, invite an orchid friend to join, invite a stranger who is interested, intrigued, or in love with orchids to join us. We have to grow to be good.

**AYO (All You Others)
Me! (Katrina Heap)**

As for the tallies from the November meeting...let's just leave it as TBA. Rest assured I will have the figures in place for the next newsletter.

Editor's Corner:

Ok, so, let me just say that Bill is the guru of newsletters and ever since I joined the Society he made this whole thing look so easy...but, it's not. I sure have some BIG shoes to fill! My first edition definitely isn't as pretty or extensive as what Bill has been creating all these many years. Not in the slightest. Bear with me though...I will eventually get my bearings...I promise I'll get the bugs worked out... and the future editions **will** get better. It's only up from here! For now...I'm just happy I was able to get something readable in front of you and I promise I will work on polishing my skills. No tomato throwing at the meeting this month, please.

Hospitality

The changing of guard...we have new hospitality coordinators...Terry and Sandra Stohr. Thank you so much for stepping up and offering to help out w/this task over the next two years.

Fellow COOS members...please do your best to make Terry and Sandra's job as easy as possible and volunteer to bring something this year. Talk w/Terry and/or Sandra at the next meeting and get your name listed for one of the meetings this year. If we all chip in and do a little...the load is a lot lighter.

Terry and Sandra's contact info -

I apologize if my info is not up to date but it looks like we are in need of volunteers for all the meetings this year. I know it's short notice but if you can bring something this month (Jan), please call Terry and Sandra asap.
